### **TOWNSHIP OF BERNARDS SEEKS FEEDBACK FOR ADA COMPLIANCE**

On Monday, February 7, 2022 at 2:30 p.m., the Township of Bernards will conduct a meeting to hear feedback about the accessibility of parks and facilities. This will be an in-person meeting and will be held in the Municipal Building, 1 Collyer Lane, Basking Ridge, NJ 07920 in the Warren Craft Meeting room.

A second meeting will be held on Tuesday, February 8, 2022 at 7:00 p.m. This is a second opportunity to hear feedback about the accessibility of parks and facilities. This will be an in-person meeting and will be held in the Bernards Township Library, 32 South Maple Ave., Basking Ridge, NJ in Program Room B.

The Township retained the WT Group (WTG) Accessibility Practice in 2021 to develop a transition plan, one of the requirements of the Americans with Disabilities Act (ADA). A transition plan identifies access barriers, and phases the retrofit work over a period of time. John McGovern leads the Accessibility Practice at WTG and he will coordinate this 60-minute meeting. In the meeting, WTG will:

- Review key ADA requirements for parks and facilities
- Discuss the importance of community feedback in establishing retrofit priorities
- Share observations of access barriers viewed at Township sites
- Ask for the access preferences and priorities of the members of the public in attendance
- Close with a discussion about next steps for the Township

Registration is requested. To register, please reach out to Leslie Meth, at Township of Bernards, [lmeth@bernards.org](mailto:lmeth@bernards.org) or at (908) 204-3001
